# A SEEKER'S PRAYER

Swami Suryadevananda

---

I take refuge in the Lord  
Who alone is worth seeking  
Who is the supreme light  
Which destroys all darkness

Destroyer of ignorance and impurity  
Refuge of the helpless destitute  
The unborn, the surest security  
I take refuge in that Supreme Lord

May I be blessed by enquiry's spirit  
Till I rest in thy infinite Self  
So all delusions might come to end  
On attaining to Thee—the highest blessing
